

.IN Reserved Names

published 22 December 2004

Certain domain names have been reserved for use by the government, constitutional bodies, and the registry.

Unless otherwise indicated, the following domains names have been reserved in .IN at the second level, and the second level only.

The registry does not allow registrations of one or two characters in length.

Until otherwise announced, the registry will not allow IDN registrations, and will reject labels with hyphens in the third and fourth positions (e.g., "bq--1k2n4h4b").
